

# Bharti Axa Claim Form Part B

## Select Download Format:

In 2018, Senator Elizabeth Warren and her colleagues introduced the American Data Privacy and Protection Act, which would give consumers the right to know what data companies are collecting about them and how it is being used. The bill also would require companies to delete data when a consumer asks them to and to provide a copy of the data to the consumer. The bill is currently being debated in the Senate.
